

CHARACTER PYRAMID

This handy **Character Pyramid** can help you organize [your character's flaws](#), allowing you to determine which ones are the driving force in your character's personality and which are secondary and less noticeable. WHAT IS A WRITERS HELPING WRITERS® DESCRIPTIVE THESAURUS?

Have you ever had a critique partner or editor suggest you need to show, not tell? Angela Ackerman and Becca Puglisi have, which is why the two set out to learn as much as possible about showing and telling, and how to master both. To help others, they created the [Writers Helping Writers Thesaurus series](#), where they dive deep into an area of description and provide comprehensive lists of specific details that will help writers bring that element alive on the page.

These bestselling guides have sold **over half a million copies**, are available in many different languages, and are used by writers and editors all over the world. Maybe they can help you, too.
